Dear Mared,

Please find attached block plan as requested and photos attached. As you can see from the measurements taken this weekend there is adequate enough space on the driveway for a further vehicle. The black vehicle I have purchased for private hire (as shown in the photographs) and I "may" be purchasing a further car at a later date.

I have also included the original plan from HM land registry which clearly shows I have more driveway than the block plan from "buy a plan" where the red line ends. I have however given measurements based on "buy a plan" block plan as these would be less than the Land Registry block plan.

I hope this satisfies your requirements for planning permission to enable me to park one more vehicle on my driveway.

Kind regards

Ray Grice
