Subject: PLAS MOSTYN BACH MINERA ROAD MINERA WREXHAM P/2017/0758
NRW:03260012

Good afternoon,

I've just looked into this case and I can see that a preliminary bat roost assessment was taken in March. The assessment report recommends that two further bat surveys be taken between May and August; however, no such surveys are included with the application on the Wrexham website. Could you confirm if the applicant sent these?

Best wishes,

Holly Tomlinson
