Dear Sir/Madam,

Planning Reference - P 2016 0533

Welsh Government Ref/Planning Inspectorate Reference - H6955/A/17/3167412

I am writing to you to complain about the above application which has been raised for the erection of two chicken rearing buildings on the land on Bedwell Road.

Once again there seems to be no consideration given to the residents of Cross Lanes. We are continually being forgotten when decisions are made that affect our community. We have a prison that we didn't want, we already have a chicken factory within the area, we have Fairfield Meat on Bedwell Road which we have previously reported due to the smell emitted, we are also having an incinerator erected on Bryn Lane – these are all going to have an impact on the community. This application is for 80,000 chickens therefore the smell and possible vermin that this will bring to the community is unacceptable.

We ask that consideration is for once given to the residents of Cross Lanes and that this application is turned down.

Yours sincerely,

JUDITH ANN ELLIS (Mrs) & GEORGE ROBERT ELLIS (Mr)
