Dear Sir/Madam

RE: Planning Application P/2015/0225

Welsh Government ref/H6955/A/17/3166718

Development of land for a gypsy caravan park on the field at the side of The Bungalow, Old Black Park Road, Halton, Chirk, Wrexham

We wish to make you aware of a number of strong objections that we have with regard to the proposed development of 7 static caravans on open space to the side of The Bungalow, Old Black Park Road, Halton, Chirk, Wrexham, application number referenced above. As neighbours to the site of the proposed development, we are complaining very strongly that this will have a big impact on our standard of living. These caravans will be visually overbearing. We believe that the proposal would be entirely out of the character of the area and is an inappropriate design. The development will spoil this lovely quiet area. This is our local greenspace.

We have lovely walks on our doorstep with lovely open fields and we feel it is a safe place for our children to be brought up. It is an area of natural outstanding beauty.

The travellers need a much bigger site as they all seem to have vans and pick up trucks. We are hardworking people who live in this lovely area of the North Wales countryside and would like to keep it that way. Wrexham Council did not grant planning permission in 2015, the community's grave concerns were taken into consideration.

Therefore we would appreciate it if you would take our concerns regarding the appeal of this planning permission into consideration. We invite you to visit our home to verify that these objections are valid. Therefore we ask that Cardiff Council refuse this appeal of planning application. We need to be more sensitive to the character of this area.

Yours truly

Mr & Mrs Ian Roberts
