Dear Wrexham Council Planning Department.

I write in respect of the planning application for Kronospan as detailed in your attachment.

I deeply object to any further planning applications being approved at the site in Chirk until cast iron guarantees on improved environmental safety measures are made by Kronospan to the people of Chirk in respect of its appalling history of allowing unacceptable amounts of pollution across the whole town and surrounding areas, this should include a provision to prevent huge amounts of dust from leaving the site to blanket the surrounding areas.

I am also disgusted that Kronospan has started to carry out works on rejected planning applications before they have been approved, if this was a member of the public they would face heavy penalties.

Until Kronospan can provide the environmental safety measures listed above and be brought to account should this not be achieved too, I wholeheartedly am apposed to and reject any future applications including this one.

Yours Faithfully.

Janet Mapp.
