Dear Matthew,

With regards to the above permission and condition 15. Which states:-

Condition 15: The development shall not be used until the scheme of road markings shown on approved drawing no. 5129244/P/01 have been fully implemented.

Please be aware that these works have been undertaken in line with the attached drawing as stated in the condition and on that basis assume the condition has been discharged.

For clarity, can you confirm that this concludes the matter and the condition is discharged.

Kind regards

Matthew Gregory,
