**RE: P/2015/0225**

**Development of land for a gypsy caravan park on the field at the side of The Bungalow, Old Black Park Road, Halton, Chirk  
Welsh Government ref/H6955/A/17/3166718**

**Dear Sir/Madam**

**I are writing to disagree with the above planning application for a gypsy caravan park to be situated on the field at the side of The Bungalow, Old Black Park Road, Halton, Chirk. As a neighbour i am very concerned about the effect this is going to have on the outlook of the whole area. I believe that the proposal would be entirely out of the character of the area, to the detriment of the local environment. The scale and design of the development will be entirely out of keeping with the area.**

**The proposed site is not very large and therefore 7 static caravans plus vehicles and outbuildings for storage, space would be very restricted.**

**I fear that some travelers' sites in the surrounding area of Wrexham in the past have had a degree of unlawful activity. This does nothing to ensure community cohesion and makes our local community very much concerned.**

**There is no need to put a traveler site at this particular location, it is far too small for this proposed planning application. It would be a blot on the landscape. It is lovely greenspace at the moment and should stay as that. This is a beautiful part of the North Wales countryside and this site would ruin this area of natural outstanding beauty.**

**Please think of us, the people who have to live here. If you would like to arrange a visit to my home I would gladly meet with you to discuss the issues raised in my letter. I urge you to reject this appeal.**

**Yours sincerely**

**Mr Steven Roberts**
