Matthew

I have the following comments on the validation letter to Mrs Spiby prepared by Terraconsult dated 23 November 2015.

The details within the letter are in the main satisfactory, however confirmation of the depth of material removed and whether this was down to the natural sandstone should be provided.

Once this information is provided and assuming it is satisfactory then the only remaining matter is provision of details for the artificial turf installation.

Regards Angela

Ms Angela Guy

Contaminated Land Officer - Environmental Protection

Swyddog Tir wedi ei Halogi - Diogelu'r Amgylchedd
