P/2016/03336
Appeal number 3165368

I am writing to object to the planning.

I am a local resident who was born and raised in Chirk , I have watched the company in question grow over the years ..

I must say though it is and has become an unsightly part of our community "EYE SORE!" I feel that the planning should not be granted until they are able to clean up and manage the factory with out it having a negative affect on the community. We suffer at the moment not only with debris that come from their "land" but noise pollution and traffic pollution too .

So I feel they need to be able to safely manage with the community in mind, with what they have before they are given the permission to grow!

Yours sincerely
Mrs Suzanne Newell
