traveller site fennant road

Dear councillor,

I am writing to you to voice my opinion on the proposed traveller site on fennant road ponciau.

As a local resident and frequent user of the road i find it unacceptable that this can be used as its a very busy road and more often than not the cars are going a lot faster than the 20mph speed limit i would guess the average speed is nearer to 40mph.

As a local resident i have seen numerous road traffic accidents on this stretch of the road because of the speed of the cars and the visibility is very poor with overgrown hedges that are badly maintained.

As a resident for over 35 years i have only seen the traffic volume increase and the speed limit being exceeded.

I just do not feel that this is a suitable site and would be both a danger to the local community car users and the travellers themselves.

Thank you for your time
