**Ref: H6955/A/16/3161155 P/2016/0225 - Land West of Bryn Offa,
Fennant Road, Ponciau, Wrexham**

We wish to make an objection regarding the Proposed Traveller Pitch, Fennant Road, Ponciau. Our main concerns are the following:

The entrance of the proposed site would be in a dangerous position as it would open out onto Fennant Road which is a very busy road being the main road for cars and pedestrians and is also a main route for the buses servicing Ponciau, Rhos and Penycae.

The site is also very close to Offa's Dyke a very historical path and is one of Britain's national trails and therefore great care must be taken that this site does not infringe on it's path.

Regarding the environment we also believe that great crested Newt's reside in the area.

We are both local people who have lived in the area all of our lives therefore we know that this area is prone to flooding and fog, and during the winter being in a dip the roads can be very icy and treacherous therefore another exit onto Fennant road would be another hazard and very dangerous.

We hope that you consider our objection before making a decision.

Many thanks.
Regards

Gary EVANS
