Remarks

PPR essential. Primary a microlight AD but STOL ACFT welcome at pilots own risk. Rwy's have no designator markings or edge marks.

Visual aid to location: AD is easily identifiable by white concrete H in the centre of AD.

Warnings

Rwy01 has slight down slope. Sheep may be grazing if microlights are not active.

Noise: Area to W of AD is particularly noise sensitive and should not be over flown below 1500ft.
