YOUR COMMENTS ON THE CASE

I objected to original planning application for the above case and continue to do so. I live directly across the road from the proposed area for development. I would be directly overlooked and am concerned about increase in traffic, it can take 10 minutes to cross the road in rush hour traffic now, and the traffic remains heavy throughout the day. The noise from the current level of traffic is so loud, I sleep in the back of the house. I continue to raise strong objections to this appeal for development due to the impact of further traffic and noise to an already hugely busy road and being directly overlooked.
