Might be my Kindle at fault but I can't see an attachment.

Dear Sir or Madam,

Please find attached, documents that I have submitted to the Planning Inspectorate. These are the final documents that the Planning Inspectorate has been waiting for in relation to the appeal.

The applicant had indicated that they would like to see my representation before the site visit that is scheduled for Tuesday the 10th of Jan. Please can you pass these documents on to them (I would imagine it to be Richard Corbett from Roger Parry and partners) without delay. It would be inappropriate for me to send these documents directly to the applicant. I would also imagine that the planning officer would like to see this representation. The planning officer was previously Janet Sutherland who has since retired: I do not have the new planning officer's contact details.

Many thanks in advance.
