Subject: Planning Application P/2015/0225 Wrexham Council
Date: 14 February 2017 15:20:37

Dear Sir / Madam,

I have been contacted by several constituents who have expressed concerns in relation to a planning application made to **Wrexham County Borough Council: P/2015/0225**.

I am informed that the decision relating to this planning application is to be heard by the Planning Inspectorate in Cardiff. I am therefore writing to express the concerns of my constituents in relation to planning application P/2015/0225.

1. The site access has poor visibility.
2. Existing traffic, especially on Sundays when the car boot sale operates, is already highly congested and the site access location would exacerbate conditions.
3. Constituents are concerned that if permission is granted for this site it will result in more road collisions in the vicinity.

I would be grateful if you would please take these concerns into consideration when assessing this planning application. Thank you for your assistance.

Yours faithfully,
Susan Elan Jones
