3:44 > ran... oken n a...	I wish to voice my concern regarding the proposed site o Fennant Rd. Ponciau. This is a dangerous stretch of road a d I have had a few near misses. Vehicles park on the brow of the hill and there are no footpaths for pedestrians.	
3:31 > u g the iau...	If any planning applications are made I think priority should be give to pedestrians as this is a dangerous stretch of road. I use this stretch of road at least twice a day.
