Dear Sharon,

Please see attached additional information on the odour control systems to the Kitchen Café and email below describing the content.

I believe the paint samples are being applied to the brickwork today and will be available to see shortly. I am due to receive photos by the contractor and will send them to you as soon as I receive them.

Apologies again for taking long to get back to you.

Kind Regards
Benedetta

Beni

Attached is some additional information on the extract ventilation systems for the Food Courts, to discharge the planning condition:

- PEP_ESD_XX_00_DR_M_2000 Rev P3 Ground floor ventilation drawing which includes extract ducts from Food Courts;
- Francis Kitchens layout with the proposed canopy marked on
- Calculation for extract rate
- South elevation with Louvres from Food Courts.

If there is any further information the planner require please advise.

Regards
