Hi Kevin

Please find attached consultation documents for a Part B environmental Permit we've received for Alan Skip Hire to operate two biomass boilers at the Redwither site. Under the Permitting regulations I am required to consult with the LPA for waste handling applications.

Regards

Kevin Hughes dealt with the last application on the site back in 2007. I'd suggest sending it over to both him and to Dave Williams, Development Control Manager.

Hi Matthew

I don't believe a planning application has been submitted yet, and they're not required to submit one prior to applying for an environmental permit. It's the consultation for the environmental permit that I need to send over to planning.

The address is:

ASH heat and Power Ltd
Wrexham Recycling Centre
Redwither Road
Wrexham Industrial Estate
Wrexham
LL13 9RD

Regards

Paul

Paul,

Sorry no I haven't had chance yet. I don't actually know where the site is, do you have a site address or application number.

Regards

Matthew

Hi Matthew

Have you had chance to have a look at the email below?

Regards

Paul

Subject: Consultation

Hi Matthew

We've had a permit application in for a couple of biomass burners at Alans Skip Hire (I believe there is a planning application pending). As they're intending to burn waste, but not hazardous, wood we are supposed to consult with the Local Planning Authority. Who should I send the consultation to in planning?

Thanks

Paul
