Overall capacity with St Peters is at present sufficient, they are oversubscribed in only 1 year group the remaining years are under the admission number of 38.

Thanks

Hi Paula,

Hope you are well. Hopefully a very quick query with regards the attached.

I think it was Denise that responded on the above. I know this is stating the obvious but I just need to clarify for my file. On the basis that no contribution was requested at primary level, is it safe for me to conclude that there are no capacity issues at present.

I have an objection on file from the local member Cllr Jones stating that there are capacity issues at both primary (St Peters) and secondary level.
