ED 12 Not to Scale

**Remarks**  
PPR essential. Primary a microlight AD but STOL ACFT welcome at pilots own risk. Rwy's have no designator markings or edge marks.  
Visual aid to location: AD is easily identifiable by white concrete H in the centre of AD.

**Warnings**  
Rwy01 has slight down slope. Sheep may be grazing. If microlights are not active.  
Noise: Area to W of AD is particularly noise sensitive and should not be over flown below 1500ft.
