Many thanks Helen,

On the basis of the documentation provided, I am happy to proceed with a reduced education contribution of £5k.

Regards,
John

Hi All
Thanks for your time yesterday, much appreciated.

1. First Choice Housing have provided a justification for the education reduction (see attached 1)
2. First Choice Housing have provided a reassurance that they will be the Management Company and the plans they have in place to develop a Management Plan for the POS. (see attached 2).

If either of these need more work / explanation please let me know and I will pick it up with them.

3. Whilst the deadline for the FCA has been extended to 6th January, First Choice Housing are under real pressure from the MOD to complete this sooner, they have asked for the end of this month. Our discussions yesterday suggested that this is almost done. Is it possible for the land transfer to take place sooner and the section 106 by signed by our deadline of 6th January?

Many thanks
Helen
