YOUR COMMENTS ON THE CASE

I would like to support the application for the chickens, I feel this will bring more work into the community, and surrounding areas helping the rural economy. I feel lots of people seem to have something to say on this project but actually haven't bothered to get all the facts! I have approached the proposer who were more than happy to help me make an informed decision on this project! After being shown the area I do not feel it will hinder the views for the immediate community, they seem to of thought of all the needs and think it would only help the rural economy.
