Hi Philip

My apologies, I don't appear to have seen this one.

The nearest Primary would be Alexandra, the nearest Secondary would be Clywedog, there wouldn't be any Secondary contribution required. With regards the Primary Alexandra has just had an increase in its capacity to accommodate the problems we have in our town centre schools, as Alexandra is currently under capacity due to the recent extension we wouldn't be doing anything further on this site any time soon.

Thanks

Paula

Hello Denise/Paula,

I'm in desperate need now for some indication on education contribution requirements for the above site. It's 23 two bed units on Chester Street in the town centre. See details below.

I'll need to determine this soon so if I haven't heard anything by the end of the week, I'll assume there is no demand.

Thanks

Phil

Hi Denise,

Any chance you could have a look at this for me?
