1. Not to dispose of the Affordable Housing Units provided as Shared Equity Housing other than by way of a Shared Equity Disposal to an Eligible Person at a price no greater than the Equity Price.
2. That no Shared Equity Disposal shall be completed without the new Shared Equity Owner simultaneously entering into a Second Charge.
3. That upon first acquiring an interest in a Shared Equity Unit the Shared Equity Owner shall not borrow from any mortgagee nor charge a Shared Equity Unit under a First Charge for a sum in excess of 70% of the Market Value of the Shared Equity Unit without the consent of the Council or the Nominated RSL (as appropriate) providing that nothing in this paragraph shall prevent or prohibit a Shared Equity Owner from later increasing its borrowing from any mortgagee in order to discharge and secure release from the Second Charge.
4. No Shared Equity Owner shall transfer the Shared Equity Unit without first having notified the Council or its Nominated RSL (as appropriate) in writing of their intention to dispose of the Shared Equity Unit.
5. In the event that the Shared Equity Housing Unit is sold by a mortgagee in possession without the provisions of this Deed being binding upon it (pursuant to clause 6.10 hereof), the mortgagee shall, in so far as it is able to from the proceeds of sale of the Shared Equity Unit and in any event only after deduction of any monies owing to the mortgagee pursuant to the First Charge, pay to the Council or Nominated RSL (as appropriate), the Redemption Money within one week of completion of the sale of the Shared Equity Unit and provide the Council's Head of Housing and Public Protection (or such other officer undertaking the duties of a chief housing officer) with an account of the amount due pursuant to this paragraph.
6. Not to let (other than by way of a Shared Equity Disposal) or sub-let the Shared Equity Unit.
7. In the event that a Shared Equity Unit has been actively marketed for sale for a period of 20 weeks and no Eligible Person has exchanged unconditional contracts for the purchase of the Shared Equity Housing Unit within that period Provided That:
 - 7.1 the price at which the Shared Equity Housing Unit has been offered for sale to Eligible Persons is no greater than its Market Value ascertained by agreement between the Shared Owner, any mortgagee of the Shared Owner, and the Nominated RSL (**Parties**) or failing agreement at the expense of the Shared Owner by an independent qualified valuer appointed by agreement between the Parties or failing agreement by or on behalf of the president for the time being of the Royal Institution of Chartered Surveyors on the application of any party and the decision of such valuer shall be final;

- 7.2 the Shared Equity Owner has reasonably demonstrated to the Council that it has acted in good faith in considering any offers from Eligible Persons; and
- 7.3 such unit has also been offered for sale to the Nominated RSL and any other RSL or RSLs put forward by the Council and that such RSL(s) have not exchanged unconditional contracts to buy such unit within such period

then the Shared Equity Unit may be sold in the open market at Market Value free from affordable housing restrictions contained in this Deed Provided Further That where an Eligible Person or RSL has been identified as a potential purchaser of the Shared Equity Housing Unit within the said 20 week period the Shared Equity Owner shall use reasonable endeavours to progress such sale and shall not dispose of the Shared Equity Unit in the open market unless such potential sale is not completed within a further 20 weeks.

8. In the event that the Shared Equity Unit is sold on the open market pursuant to paragraph 7 the Shared Equity Owner shall pay the Redemption Money to the Council of the Nominated RSL (as appropriate) to redeem the Second Charge within two days of legal completion Provided That such funds received by the Council or the Nominated RSL (as appropriate) shall be used for the provision of Affordable Housing within the Wrexham County Borough Council administrative area as agreed between the Council and the nominated RSL within five years of receipt.
9. Following receipt by the Council or Nominated RSL of the Redemption Money in the circumstances set out in paragraphs 5, 7 or 10 hereof the owner of the Shared Equity Unit will remove the restriction set out at paragraph 11 of Part 1 above from the title of the Shared Equity Unit at the Land Registry.
10. Nothing in this Part shall prevent or prohibit a Shared Equity Owner from paying the Redemption Money to the Council or the Nominated RSL (as appropriate) in order to discharge the Second Charge Provided That the Redemption Money received by the Council or the Nominated RSL (as appropriate) shall be applied for the provision of Affordable Housing within the administrative area of Wrexham County Borough Council as agreed between the Council and the nominated RSL within five years of receipt.
11. It is acknowledged that where a Shared Equity Owner disposes of a Shared Equity Unit to an RSL pursuant to paragraph 7 above the RSL shall not be required to enter into a Second Charge and may use or dispose of such unit (as appropriate) to provide Affordable Housing in accordance with any of the methods of doing so permitted by this Deed.
12. The provisions of this Part of Schedule 3 shall only apply to the sale of Shared Equity Housing after the initial sale.

Y = The fraction of an Affordable Housing Unit which may occur as a result of the requirement for 25% of the Dwellings on Site to be Affordable Housing

2. Within 21 days of the amount of the Affordable Housing Contribution within each Dwelling Phase being notified to the Council the Owner shall pay the Affordable Housing Contribution to the Council PROVIDED THAT it is a condition of the payment of the Affordable Housing Contribution that such funds shall be used by the Council for the provision of Affordable Housing within the Wrexham County Borough Council administrative area within 5 years of receipt and FURTHER PROVIDED THAT any part of the Affordable Housing Contribution that remains unspent by the Council after the period of 5 years from the date of receipt shall be refunded to the person that made the payment.

Developer Contributions to Schools

This is one of a series of local planning guidance notes designed to amplify policy GDP2 in the Wrexham Unitary Development Plan (UDP) and identifies the circumstances and locations in which developer contributions to the provision of education facilities, such as additional classrooms, will be necessary. The (UDP) was adopted by the Council in February 2005 and this note is a material consideration in the determination of all relevant planning policies.

Education Planning in Wrexham

For education planning purposes links between certain infant and junior schools and between junior/primary schools and secondary schools in groups throughout the County Borough are maintained. The Council's School Admissions Policy grants parental preference, unless to do so would prejudice the efficient and effective use of its resources. Over 96% of pupils are allocated places in accordance with their parents' first preference.

Background to this Guidance Note

Local authorities find themselves under increasing financial pressure to meet the educational needs arising from residential development. Cumulatively, even relatively small developments can have a significant financial impact on the provision of school places. Welsh Office Circular 13/97 'Planning Obligations' makes provision for developer contributions to offset the negative consequences of development provided there is guidance on this in the local development plan. The Wrexham UDP provides this guidance through Policy GDP2 on Capacity of Infrastructure & Community Facilities.

The rest of this note sets out further information on how this Policy will be applied.

Criteria

Any developer contribution will be based on the following considerations:

- It will only apply to proposed developments of four or more residential units, whether by new build, conversion or changes of use. Developments should not be deliberately sub-divided or phased in an attempt to avoid this threshold. Where the development has been split or phased, the resulting cumulative number of dwellings will be used to calculate the financial contribution.
- It will only apply to schools deemed to have a shortage of places taking into account other residential developments within the area and after addition of the extra pupils likely to be generated by the proposed development.
- The number and type of proposed residential units (large or small houses, bungalows or apartments). More detail is given in Table 1.
- The likely ratio of pupils per housing unit applicable to the appropriate school or schools at both primary and secondary level.
- The location of the development and likely impact on existing schools. This will be assessed using the same criteria as the Council's Schools Admissions Policy in relation to proximity and feeder schools. A map of school catchment areas is available from the Planning Department.

If the potential pupils generated by the proposed development cannot be accommodated within existing schools then a commuted payment will be calculated by multiplying the additional places required by the pupil cost figure (see Table 1) to produce the commuted sum to be included in the planning obligation. Contributions by way of a release of land for a new school or direct construction may be considered as

Table 1: Cost guidelines

School Type	No. of pupils generated by each 2-3 bed house	Building Cost Multiplier £	Contribution £
Primary 4 - 11 years	0.28	7000	1960
Secondary 11 - 16 years	0.20	10000	2000
Post 16	0.04	12000	480
Totals			
School with 6th Form	0.52		4440
School without 6th Form	0.48		3960

Notes

- Building cost multipliers are based on Department for Education guidelines, pupil allocations and average building cost assessment.
- 1 bedroom and accommodation for the elderly no charge. 2/3 bedrooms standard charge (shown above). 4 + bedrooms plus 20%.
- School Catchment Areas are secondary schools and their feeder primary schools plus current Council policy on pupil proximity to schools.
- School population assessments to be reviewed annually.

Charges at secondary school level

an alternative to payment of a commuted sum at the Council's discretion.

Timing of contributions

Any built educational provision will need to be completed to reflect the planned occupation of the homes. For larger developments phased payment will be considered to fit construction and occupation programmes.

Cost guidelines

The following guidelines are designed to give prospective developers an idea of the possible implications of their proposals:

- Every 100 houses produces around 28 primary age pupils and around 20 secondary age pupils.
- For developments that generate 100 pupils and above consideration will be given to a new school on a new site dependent on location and future growth potential of the area and the applicant will be expected to contribute in proportion to the number of school places the development generates.
- The Council will specify the nature of the works or the area which the contribution will finance, which may include a completely new school.
- Where a contribution is required, a draft Section 106 Agreement should accompany the planning application. Wrexham County Borough Council's Section 106 templates are available on request from the Planning department.
