Dear Sir / Madam,

I am writing in support
of the application for two new dwellings
on our lane. Planning reference: -
P 2015 0376.

As I mentioned in my
last two letters the state of the lane
is to my knowledge the only problem with
the application.

I also confirm that I
would be more than willing to have the
passing place / turning area opposite
my house if this would resolve any issues.

The lane is a constant bug-
bear. I cannot bring my elderly mother (95)
to visit our home as the lane knocks her
around in the car however careful we are.

I would therefore welcome
the two new dwellings and the increase in
traffic providing the surface of the lane is
taken care of,

Yours hopefully & faithfully

ANDREA J MORRIS MRS.

DAVID A. MORRIS, MR.

P.S. I would appreciate a copy of the appeal decision letter. Thanks in advance,
Doreen J. Morris. (Mrs).
