YOUR COMMENTS ON THE CASE

Dear Sir/Madam,

I am writing to you as I am concerned about planning refusals in agriculture in our area and this case particularly. As a dairy farmer I understand how being able to grow my business is critical for its survival and employment in the area. I also understand Mr Morris's desire to create a poultry business and how it will bring jobs and diversity of employment in an area that has limited opportunity. I believe planning consent for this project and others like it are essential if the country is going to thrive post Brexit.

I hope you look upon this appeal and others like it favourably.

Kind regards,
John Wigley
