Pete

Further to our meeting on 19 October with yourself and David Hesketh. In line with the discussion and request from the Council for updated information, please find an updated report / commentary / data analysis and revised masterplan.

I trust this satisfies your requirements and allows the Highways Department to remove their outstanding objection to the Planning Officer.

If there is any matter you would like clarification on or would like to discuss further, please do not hesitate to contact me.

Regards

Guy
