YOUR COMMENTS ON THE CASE

As an interested person who has spent the last 12 years in the immediate area of this application (Pontfadog), I consider the proposals made by Mr & Mrs Morris to be a significant contribution to the local community. I feel that rural economies have suffered for a number of years due to a lack of local and regional support together with the centralising of industries to more urban economies. The economy of the Ceiriog Valley has always been reliant on the dedication, tenacity and support of local industry and the residents themselves and i believe that this needs to be supported and promoted wherever possible. This application not only enhances the ethos of rural life in this area but will assist in the promotion of rural Welsh Agriculture as a whole. This application has my full support.
