AGAINST THE APPEAL

YOUR COMMENTS ON THE CASE (continued)

I wrote to object to this planning application when it went to Wrexham Planning Department.

This site is on the corner of ~~lower~~ four converging, single-track roads where there have been accidents in the past.

The plans are not in keeping with the village, which is small, rural and picturesque, and will therefore be detrimental.

The plans were rejected by Wrexham Planning Department which knows what is suitable/not suitable for the area; in which case, I find it aggravating that it's decisions can be potentially over-ruled by a department which does not know the area.
