For the attention of Sharon Holman

Dear Ms Holman

P/2012/0574 - Pitched Roof to Side Extension and Garage, Parkleigh Farm, Park Lane, Rossett, Wrexham

Further to your letter of 27 March 2015 I have asked the contractor to deliver samples of the following to your office:

- Roofing - The proposed slate is now Samaca C49. This has been approved elsewhere as an acceptable substitute for Welsh slate in the Snowdonia National Park. Please see the attached correspondence.
- Garage Doors - These will be timber and a painted sample will be dropped off, together with the slate sample above.
- Garage Walls - As requested this is now to be rendered with wet dash render.

On receipt of the material samples I trust you will have sufficient information to discharge Conditions 2 and 3.

Please let me know if you need further information.

Yours sincerely

Mike Brabbs
