

KNIGHTSBRIDGE WHITE OAK RANGE

The Knightsbridge high quality American white oak range is a solid, heavyweight door offering a range of designs including panel and cottage to match interior doors.

- Traditional solid construction
- 10mm trim option on all 4 edges
- Paint and peel film on triple glazed Gothic and Croft doors
- Doorsets available with a softwood or oak frame - See page 122
- Unfinished ready for site decoration. We recommend Hi-Build paint or stain finish on all external joinery
