23rd May 2014

Dear Sir/ Madam,

**Public Consultation Exhibition for a Proposed Solar PV Farm on Tuesday 10th June 2014
(3pm – 7pm) at Isycoed Village Hall**

I am writing regarding a community consultation exhibition we are planning in relation to the potential development of a solar PV farm on land on the south side of Francis Lane, Holt.

We have already written to local residents, inviting them to attend and to look at the plans for the proposed developments, but I am writing to you today to ask if you could help us further promote the event, as we would like as many people as possible to attend and discuss the project or to voice any concerns they may have.

I wonder if you would be prepared to help us by displaying the enclosed poster in your place of business. This would help to publicise the event to those who live locally (and I would be very grateful for your help).

If you are unable to attend on 10th June and have any questions that you would like to ask, please feel free to contact me on the number below.

Yours faithfully,

**Roy Amner
