**OVERHEAD LINES
ELECTRICITY ACT 1989
TOWN AND COUNTRY PLANNING ACT 1990.**

With reference to the application particulars of which are specified below, I am directed by the Secretary of State to inform you that consent is hereby granted pursuant to section 37(1) of the Electricity Act 1989 ("the 1989 Act") to the installing or keeping installed above ground of electric lines ("the lines") particulars of which are specified below.

Pursuant to section 37(3) of the 1989 Act this consent is given subject to the following conditions:

1. Subject to regulations 63, 64, 86 and 87 of The Conservation of Habitats and Species Regulations 2010, the Secretary of State may review this consent at any time after a period of five years from the date hereof, and upon such review, after giving all persons concerned an opportunity of being heard, he may vary or revoke his consent.
2. If the Secretary of State revokes this consent the lines shall be removed within such period as the Secretary of State may direct.

Pursuant to section 90(2) of the Town and Country Planning Act 1990 ("the 1990 Act") the Secretary of State hereby directs that planning permission for the Development shall be deemed to be granted subject to the following condition(s):

1. The Development to which this permission relates shall be begun not later than the expiration of five years beginning with the date hereof.

Reason: For conformity with section 91 of the 1990 Act.

2. The Company shall dismantle and remove from the site any redundant lines and apparatus within six months from the date of commissioning of the lines

Reason: To restore the land as far as practicable to its condition before the

redundant lines and apparatus were installed.

3. Prior to commencement of works within 10m of a watercourse between poles 55 and 67 and 71 and 72 as marked on the approved plan, an ecological method statement shall be submitted to and approved in writing by Powys County Council prior to the commencement of the works.

Reason: Works shall be carried out in accordance with the approved scheme.

4. A plan detailing the construction vehicle access routes and parking areas shall be submitted to and approved in writing by Powys County Council prior to the commencement of works.

Reason: Works shall be carried out in accordance with the approved scheme.

5. No part of the development shall commence until a detailed method statement of works to be carried out within the non-statutory wildlife site area (W247) has been submitted to and approved in writing by Wrexham County Borough Council's ecologist.

Reason: To protect named species/habitats/biodiversity which would otherwise be damaged/lost by the development hereby permitted.

6. All trees removed as part of the development shall be suitably replaced. Details of the replacement tree(s) including species, stock size and planting location shall be submitted to and approved in writing by Wrexham County Borough Council prior to the commencement of the approved works. The approved replacement planting shall be undertaken during the next available planting season following removal, unless a time extension is otherwise agreed in writing by Wrexham County Borough Council.

Reason: To ensure that existing landscape features are suitably replaced.
