AGAINST THE APPEAL

YOUR COMMENTS ON THE CASE (*continued*)

My objections to the proposed development at Pont Adam, were confirmed by the Wrexham County Council planning Dept. with their refusal of the original proposal.

You do not require planning qualifications to realise that "IF A SECTION OF HIGHWAY IS UNSAFE " and the expense and practicality of rectifying the situation would make the proposed scheme uneconomic, further consideration in an attempt to somehow rewrite the facts is futile.

The proposed Path/Cycleway is a complete red herring, as a resident of Pont Adam for years I can predict the route residents will use and that will be the shortest, the proposed route is twice as long for the majority and shorter for none.

I request that you give full consideration to my previous correspondence, and to the concern of those local people who are fully aware of the circumstances relating to the area and the everyday problems that arise.

And confirm the original refusal of outline planning permission.
