OBJECTION TO PLANNING PERMISSION

YOUR COMMENTS ON THE CASE (continued)

Further to your letter of 14th Sept 2014.

When you informed me that planning Permission was refused, I was really disappointed to receive your letter to say the builders had appealed against the decision. Nothing has changed, the access road is totally inadequate for the amount of traffic this proposal will generate, the school situation is still the same (not enough places) & the Doctors surgery is still struggling to cope with there present work load. I presume the developers have made some minor changes & reapplied. I strongly oppose this development & trust you will give ~~it~~ it due consideration when the planning dept next meet.
