YOUR COMMENTS ON THE CASE

Please provide your representation below.

Chickens kept in a barn without daylight & in their own 'muck' for the duration of their short life of 60 weeks for the sole purpose of convenience and mass production of eggs. I do not consider as humane.

Whilst there is already HGV traffic along the lanes here doesn't mean that it is safe and certainly not "ideal".
The B roads here are not suitable for HGV traffic.

Flooding.

Smell.

Vermis.
