Dear Sir/Madam

I am dissatisfied to hear that, the Local Council again are Planning to build 49 Houses on Pont Adam Crescent Estate. This I strongly feel will cause Access Problems both for Ruabon Village and Pont Adam itself.

I and the other Residents object towards this, it's a very quiet Estate and that's how we want it to be. After reading this letter I hope you will consider not to go ahead with Plans to build.

Yours Sincerely

Mrs T L Howson
