YOUR COMMENTS ON THE CASE (continued)

We feel that the road is not suitable or safe for any more cars, vehicles etc to be coming up on to the Estate.

There is no pavement going over bridge on the way upon to Pont Adam.

The school children have to walk in the middle of the road. Some even run across in front of cars and there has been a few near misses.

We think you will be putting childrens lives in danger by putting more cars on the roads.

In the bad weather snow blocks the bottom road and the estate causing disruption.

The bus has problems coming up road already with the amount of cars using the roads.
