YOUR COMMENTS ON THE CASE

Please provide your representation below.

I have already appealed against the above planning application but feel I need to comment further.

I have been driving vehicles since 1953 and was employed by the Highways Agency for 33 years. It is a number of years since retiring and I use both of the roads entering Legacy to visit friends and I am always relieved when I reach their house.

I encounter many walker without footpaths and a huge amount of cyclists during the winter, the roads are the last to be gritted.

Traffic to the crematorium have to use one of the roads all the year round to arrive and depart which is situated between the two access roads to Legacy.

In my opinion it is essential that you visit the whole road network to appreciate how completely
