

The site plan illustrates the layout of Bryn Hyfryd. Key features include:

- Existing Buildings:** Indicated by hatched areas in the upper right and lower left.
- Proposed Building Outline:** A blue-outlined rectangle located in the upper right, labeled "Building Outline (Bryn 15m)".
- Topography:** Contour lines showing the terrain's elevation.
- Roads:** Labeled "FARM ENTRANCE ROAD" and "ROAD".
- Fields:** Large open areas representing agricultural land.
- Water Features:** A stream or river flowing through the lower right portion of the site.

The site plan illustrates the layout of Bryn Hyfryd. Key features include:

- Existing Buildings:** Indicated by hatched areas in the upper right and lower left.
- Proposed Building Outline:** A blue-outlined rectangle located in the upper right, adjacent to the existing buildings.
- Topography:** Contour lines are drawn across the site, indicating varying elevations.
- Roads:** A road runs along the bottom edge, with a 'FARM ENTRANCE' marked on the left side.
- Fields:** Large open areas represent fields, some of which are bounded by contour lines.
- Legend:** A blue square symbol is labeled 'Building Outline (Bryn 15m)'.

The site plan illustrates the layout of Bryn Hyfryd. Key features include:

- Existing Buildings:** Indicated by hatched areas in the upper right and lower left.
- Proposed Building Outline:** A blue-outlined rectangle located in the upper right, adjacent to the existing buildings.
- Topography:** Contour lines are drawn across the site, showing a slope that rises from the bottom left towards the top right.
- Roads:** A road runs along the bottom edge, with a 'FARM ENTRANCE' marked on the left side.
- Fields:** The site is divided into several irregularly shaped fields by boundary lines.
- Legend:** A blue square symbol is labeled 'Building Outline (Bryn 15m)'.
