Dear Mr Spiby,

I confirm that I would be prepared to support your application on the basis of the amended plans. There is however one small error on the floor plans. The second floor plan does not appear to have been amended to reflect the removal of the front dormer windows and the use of rooflights instead. This plan therefore needs to be amended so it is consistent with the elevation plans.

To avoid delay, if your architect is able to forward an electronic copy to me, hopefully it would be possible to issue a decision to you later next week.

Regards

Matthew Phillips
