Subject: Five Fords Solar PV - Construction Traffic Management Plan
Importance: High

Philip,

I refer to the current planning application, that we have submitted on behalf of DCWW, for the erection of a solar array on land to the east and north of Five Fords WwTW in Wrexham (Application Ref: P/2014/0700).

Further to your e-mail, dated 24th November, and our subsequent meeting, I am pleased to enclose a Construction Traffic Management Plan for the proposed development.

I should be pleased if you would add this Construction Traffic Management Plan to the current planning application.

If you wish to discuss this matter further, please do not hesitate to contact me

Regards, Howard
