Dear Mr Scott

ERDIGG NURSERY, TOP SOIL VALIDATION PLOTS 3 TO 6

Thank you for your letter dated 11 December 2014. I can confirm that I am satisfied with the validation details for the topsoil at Plots 3 and 6 as detailed in your letter. I can confirm that this now completes the requirements of the contamination condition and accordingly I will inform the Planning Department that we recommend the condition may now be discharged.

Yours sincerely

Mrs Angela Guy
Contaminated Land Officer
