CONCERNING: PART OF FIELD WEST OF
COMMONWOOD FARM & SOUTH
OF BORRAS RD.
COMMONWOOD, HOLT, WREXHAM

DEAR SIRS / MADAM -

I AM WRITING TO YOU IN THE HOPE
THAT YOU WILL REJECT THE APPEAL AGAINST THE REJECTION
MADE BY THE COMCIL IN MARCH.

REASONS I CAN SEE ARE NUMEROUS, BUT I AM PARTICULARLY
CONCERNED WITH IRREVERSIBLE CONTAMINATION OF GROUND
WATER.

FROM WHAT I UNDERSTAND ABOUT DRILLING TECHNOLOGY
IS THAT ALL WELLS LEAK SOONER OR LATER.

IN THE FUTURE IT MAY WELL BE THAT WATER SECURITY
IS OF GREATER CONCERN THAN FUEL SECURITY. IT WOULD
BE VERY FOOLHARDY TO SACRIFICE THE LONG TERM
SECURITY OF ONE FOR A WRONGLY PERCEIVED SECURITY OF
THE OTHER.

MANY THANKS
FOR YOUR ATTENTION
