NOTES

Holophane Europe Limited offer a Lighting Design Service in good faith and without charge. Every effort is made to ensure we interpret design briefs accurately and in-turn provide suitable and detailed proposals. However, the final responsibility for the design and any recommendations offered within lies with the client. Holophane Europe Limited, does not therefore accept any liability for loss, damage incurred or design misinterpretation.

Results provided within this Holophane design are derived from specific product photometry; the substitution of luminaires either with alternative Holophane units or other manufacturers products may not produce the same results.
