Dear Sir Madam

**Re: Land south of boundary house, Horseman's Green, Wrexham, SY13 3DY.
Outline application for residential development (2 Dwellings) – APPEAL.**

Thank you for consulting Natural Resources Wales about the above, which was received on 31/11/2014.

Natural Resources Wales brings together the work of the Countryside Council for Wales, Environment Agency Wales and Forestry Commission Wales, as well as some functions of Welsh Government. Our purpose is to ensure that the natural resources of Wales are sustainably maintained, used and enhanced, now and in the future.

With reference to representations made to Wrexham County Borough Council in our letter dated 13 August 2014, we had objection to the issue of consent for this proposal unless additional information can show it would not have adverse effects on the protected species (Great crested newt).

I can confirm that our position, as stated within the letter dated 13 August 2014, remains valid.

Yn gywir / Yours faithfully

Peter Evans
