Dear Sir/ Madam

I am writing to inform you that I have submitted a planning application for a chalet type bungalow at the above site address.

You may or may not be aware that there was a bungalow previously in a similar location, but due to a fire the bungalow was destroyed some years ago. At the time this was our family home and after many years we want to retire and live close to our family. We hope that as neighbours you would help us, by supporting this application and in so doing would be pleased if you could sign the attached document of support, which will be submitted with our application.

If you need more information regarding the application my wife Zilla and myself would be pleased to meet you.

Yours faithfully

Bill and Zilla Evans
