Dear Rhys,

This letter is to register my objection to the proposed borehole drill at Commonwood Farm, Borran, Wrexham.

I am an original objector. I objected on the belief that this is in and around the very area of the 1934 GEFORD Colliery disaster occurred. 255 miners were orphaned in this area, and are still there

I am greatly concerned that this operation will become an intrusion on what I regard as a grave yard.

I object to the appeal
