Hi Angela

Please find attached letter from our specialist Hydrock in response to your queries with the various remediation strategies issued in the planning submission.

The comments in your email relating to the expansion zone are not a requirement of the reserve matter application. However, we have drafted a letter and await confirmation from our client, MOJ, to enable us to forward it on. We do not envisage any problems with this and our position remains as discussed at our recent meeting.

Should you wish to discuss this further please do not hesitate to contact me.

Regards
