V03	11/09/2014	Supplementary Reserve Matter Discharge Information	Supplementary information following Wrexham CBC queries

Condition 16.

Drawings included providing information to discharge the reserve matter condition:

- Site layout plan – demonstrating the lighting spill and types of lighting columns proposed outside the perimeter fence.

Supplementary Information : 19/08/2014

Lighting product information, showing indicative lighting types as follows :

- The Kaos lantern will be used to illuminate the access roads/car park areas and will be mounted on 8 metre columns.
- The Aludra floodlight is proposed to provide illumination of the secure perimeter fence and will be mounted on 6m columns as prescribed by the MoJ security standards.

Please note these will not be installed until 2016 so should technology change/improve we reserve the right to resubmit.

Additional Supplementary Information : 11/09/2014

Updated lighting layout and 3D view attached (2 drawings) including current site layout as underlay.

Drawing Reference : 23765d

Provided 2No paper copies and electronic version.
